Dear parents/guardians

As you know we are continually reviewing and trying to improve provision here at CRPS. Over the last few years we have been thinking about extending the after school provision to 5.00pm. In order for us to make a more informed decision and assess the need for this facility, we are seeking your feedback. It is expected that the cost would be £2 a day.

We will continue to provide our wide range of 3.00pm-4.00pm after school clubs for those who only require this facility. Caterpillars and Butterflies clubs will also run as normal.

Please take a few minutes to read the options below and tick the box or boxes that would best suit the needs of your family. This will include children in P1 through to P7. You can put your preference in number order if you wish.

Can you help us with a name for our new club if it goes ahead?
