

**"Educating For Generations,  
Building Brighter Futures"**

# Chapel Road Primary School

Board of Governors  
Annual Report  
to  
Parents  
2021-2022

## Letter from the Chair of the Board of Governors

Dear Parent/Guardian

It is a pleasure and privilege to present to you, the Annual Report of the Board of Governors of Chapel Road Primary School 2021-22.

This report will remind you of the varied and numerous events which occurred during the year, as well as highlighting the roles and responsibilities of those within the school staffing and management structure.

Chapel Road PS has highly motivated and talented staff members who work tirelessly to ensure that all pupils have access to the best educational experiences possible.

The Board of Governors have met regularly over the course of the year to discuss whole school issues and to encourage continuous improvement in all aspects of curricular and extra-curricular activity. The principal prepares and provides up-to-date information on all aspects of school curriculum, policies and procedures. We have all experienced the challenges of the past two years and are hoping that we will now return to a more settled school. It is our intention that the school will continue to grow and develop on a daily basis through the vast range of activities and opportunities made available to the pupils.

Our vision statement, **'Educating for Generations: Building Brighter Futures'** was created from the suggestions sent in by our families and highlights the history of the school in the local area and also the high expectations we have for the future generations.

Together with the principal and the staff our vision is that we will continue to provide high quality education for all so that every child will experience success in learning and develop the skills that will indeed make the future brighter for every pupil. We are committed to continuous school improvement and the process of self-evaluation to ensure that the highest standards and achievements exist for all who attend Chapel Road PS.

As Chairperson, I work closely with the leadership team. I am pleased to share the work that has taken place over the 2021/22 academic year with you through this report. The school has much to celebrate in the progress made by the pupils and the outstanding care and attention to the welfare and safety of the children and staff.

To the staff and my colleague governors who have given so generously of their time and talents, in the interests of the school and pupils – thank you.

We recognise that the support of parents is invaluable. I wish to thank you personally, for the support you have given our school throughout the year and look forward to another successful year in 2022/23.

I now commend this report to you.

Yours sincerely

Philip Mc Daid  
Chairperson  
Board of Governors

## Meet the Board of Governors

MEMBER	REPRESENTING
PHILIP MC DAID	TRUSTEE/ Chair
TONY MONAGHAN	TRUSTEE/ Vice-chair
ROISIN MC LAUGHLIN	TRUSTEE

MARK MC LAUGHLIN	EA
GRAINNE KELLY	DENI
CATHERINE MC GLINCHEY	PARENT
CIARA BARRETT	TEACHER
MARY BACHETA	PRINCIPAL/ SECRETARY

The Board of Governors (BOG) are volunteers, made up of nominated and elected representatives. Our Board of Governors have an important role in supporting the school to ensure that pupils have every opportunity to develop to their full potential within a caring and stimulating learning environment. We work in close partnership with the principal to monitor and evaluate the effectiveness of the school in providing the best quality education for all pupils within the school.

As a board, we meet termly to discuss, contribute to and ratify key decisions on a wide range of school business such as:

1. Catholic Ethos
2. School Development Planning
3. Curriculum and Educational Standards
4. Pastoral Care
5. Employment Practices and Staff Relationships
6. Area Planning
7. Enrolment and Admissions Policies and Practices
8. Financial Management
9. Annual Report to Parents

Mrs Bacheta is the secretary to the board and provides a detailed Principal's Report on all aspects of school life.

## ETHOS

### MISSION STATEMENT

As a Catholic school, we work in partnership with our parents, the parish and the wider community to promote an inclusive, safe and happy learning environment where children are encouraged to achieve their full potential. The holistic needs of the school community are promoted and celebrated.

As a Catholic school our ETHOS permeates all aspects of school life. Our school motto- "Educating for Generations- Building Brighter Futures" was created in collaboration with all stakeholders. The recognition of the school's long tradition in educating generations of families was important to highlight whilst also sharing a collective vision for our current and future generations. We want to build a brighter future for every child attending Chapel Road PS.

### ACHIEVING OUR VISION THROUGH OUR AIMS

In developing highly motivated and positive lifelong learners; we:

- Promote the Catholic ethos in all aspects of school life through faith, service, prayer and worship
- Encourage the core Christian values of charity, honesty, respect, integrity, social justice, equality and fairness
- Equip all children with the skills, knowledge and understanding to become lifelong learners ready to contribute positively to society
- Foster respect in themselves, others and the environment
- Nurture an enjoyment, love and enthusiasm for learning
- Provide a rich and varied school environment where learning is an enjoyable and active experience whilst also being educationally challenging for all
- Promote and develop positive attitudes and dispositions to learning
- Recognise and celebrate achievements
- Promote and instill positive self-esteem and develop a sense of pride in themselves and their school
- Model and promote positive relationships
- Foster inclusion and respect differences
- Adopt a positive approach to managing behaviour which promotes tolerance and understanding
- Respect and value the contribution of everyone
- Create an atmosphere where dreams and aspirations are achievable

All members of the school community have an important role to play in the smooth running and success of our school. This is evidenced by the opportunities to all stakeholders to contribute to the formation of this three-year School Development Plan. In Chapel Road PS, each member of the school community is valued and has an important contribution to make to the life and work of the school. Our school is at the very heart of the community. Parents and the wider community are involved in the life of the school.

## SCHOOL PERSONNEL (2018/19)

The Governors very much appreciate the efforts of all members of staff in helping provide an environment in which our pupils can fulfil their potential. The high standards achieved by the pupils reflect the commitment and dedication of the whole school community.

## THE CURRICULUM

Chapel Road Primary School continues to provide a broad and balanced curriculum as detailed in the Northern Ireland Curriculum. As well as the core areas of learning the focus for all our teaching is on the development of skills and level of understanding. We assess pupils' progress in Communication, Using Mathematics and Using ICT. Daily procedures and policies are reviewed and updated where necessary to reflect best practice. Progress and development are shared with parents throughout the school year.

New initiatives we have successfully introduced include SUSTRANS Active Travel, ECO Schools and PATHS.

## **ADDITIONAL FUNDING IN THE YEAR 2021/22**

The Department of Education recognised the challenges facing schools following the Covid-19 pandemic and the lockdowns where children were educated remotely. In response to this, all schools were awarded funding for ENGAGE and Healthy Happy Minds.

## **CHILD PROTECTION/SAFEGUARDING**

Mrs Mc Callion is the Designated Teacher for Child Protection and Mrs Mc Cann is the Deputy Designated Teacher for Child Protection (in Mrs Conaghan's absence). Mrs Mc Callion delivers refresher Child Protection training to all staff.

Our Child Protection Policy is available to view on our school website and is shared with all new parents annually. It is also available in paper copy upon request. Child Protection procedures continue to be fully implemented in line with the Education Authority's guidelines. Safeguarding is a standing item on the agenda at BOG meetings.

## **PROVISION FOR PUPILS WITH SPECIAL EDUCATIONAL NEEDS (SEN)**

Mrs Bacheta is the Special Educational Needs Co-ordinator (SENCO). Mrs Bacheta's role is to lead and liaise with staff, parents and outside agencies in identifying children who have a special or additional educational need. The needs of the pupils are paramount. A range of support is provided by the class teacher, classroom assistants and where necessary outside agencies. The school also follows the Education Authority's referral system to access advice from the Educational Psychology Department. Children's progress is regularly monitored and evaluated. Data is analysed and appropriate targets are set. The staff are committed to providing all pupils with the best possible education, catering for the needs of every child and ensuring all children reach their full potential.

The school has a nominated Educational Psychologist (EA) and has access to advisory support and intervention when deemed necessary from other agencies such as

- RISE
- Social, Emotional and Behavioural Support Team
- CAMHS
- Action for Children
- EXTERN
- EA Literacy Service
- Speech and Language Therapy
- Occupational Therapy
- Autistic Spectrum Services

All pupils with an identified additional need (academic or behavioural) have an Individual Education Plan (IEP) which is developed and reviewed on a termly basis in consultation with the class teacher, pupil and his/her parents/guardians.

## **Moving Forward-The New Special Educational Needs Framework**

SEN has been subject to changes in response to The Special Educational Needs & Disability Act (Northern Ireland) 2016. Schools have been awarded additional funding to allow the SENCO to implement these changes. Moving forward the SENCO will become known as the Learning Support Co-ordinator (LSC). The 5 Stages on the SEN Code of Practice has been reduced to 3 Stages. The Individual Educational Plan for pupils on the SEN Register will now be known as the Pupil Learning Profile. It is hoped that the Education Authority will provide the training and resources needed to realise these changes effectively. We are confident that Mrs Bacheta will continue to lead and manage this area and implement the changes by adopting a measured and efficient approach.

## **EXTRA CURRICULAR ACTIVITIES**

The on-going covid restrictions and social distancing requirements hindered some of our previous clubs. We were able to reintroduce MULTISPORTS mid-year and this was well received.

The 325 after school club has been a positive addition for working parents and provides a wraparound care for the children. The club provides time for the children to complete their homework and enjoy indoor and outdoor activities. An afternoon snack and drink are also provided. Feedback has been 100% positive. A special thank you to the staff who facilitate this club.

## EXTENDED SCHOOL FACILITY-EARLY YEARS

The school was once again in receipt of additional monies through Extended Schools funding. We have used this funding, as in previous years, to facilitate an extended day for our Foundation Stage pupils. The aim is to target Literacy and Numeracy skills through a 'Learning through Play' approach. The children benefit from developing social skills and language through exploring and investigating a range of play scenarios. The club is called The Butterflies Club and has been a successful addition to our provision.

In a recent survey sent out to parents, the feedback received was 100% positive highlighting the excellent experiences of the children and the high-quality relationships and professionalism of the staff involved.

## FOUNDATION STAGE INDOOR PLAY AREA

The cloakroom area outside the P1 and P2 classrooms has been transformed into a shared play area. The children use this area daily to learn through play activities. It is warm, stimulating and inviting. The boys and girls have enjoyed hours of learning and fun.

## NEW OUTDOOR PLAY TRAIL

Year on year we are involved in continuous improvement in all areas of our provision. Our outdoor play equipment needed replacing, so we invested in a new and bigger outdoor play trail. We are very happy with the results and have enjoyed watching the children exploring and playing on it these past few days. The opportunity to improve physical skills whilst playing and having fun with your friends is always a bonus.

## REVIEW OF THE YEAR 2021/22

During the 2021/22 school year, our pupils and staff were involved in a variety of training, seasonal events and curricular activities. The following is a summary of some of these notable events and achievements. A special thank you to Mrs Ashford for maintaining these records throughout the school year.

### Calendar of Events 2021-22

#### Staff Training

Date	Event	Staff
26/8/21	PATHS Training	All Teachers
9/9/21	Timecard Training – Zoom	Mrs Ashford
15/9/21	DENI Census	Mrs Ashford
21/9/21	Contact Tracing for Principal – Webinar	Mrs Bacheta
11/10/21	Child Protection Refresher Course	Miss Kerr
15/11/21	Microsoft Innovative Educator	Mrs Mc Cann
